Thanks

Perhaps you sent a lovely card
or sat tearfully in a chair
Perhaps you came by our home,
If so, we saw you there;
Perhaps you said the kindest words
that anyone could say;
Perhaps you did nothing at all,
just thought of us that day.
But whatever you did to console our hearts,
We thank you, whatever the part.

Dear Janice,

Life has been good to all of us. You have left us to go on to your resting place. We want you to know you were our little angel. Years may come and years may go, we will never forget your kindness and your love. We will miss you, but because of all the wonderful memories we have of you, we will try not to be sad. The love we have shared through the years will sustain us.

(Uncle Burnell & Aunt Shirley)

A Tribute To Janice

We know you had to go, but why you had to leave us so soon. The times we shared together were so dear to us, we really love you in a special way. The laughs we shared & the tears we shed will always be with us in our heart. It doesn't seem like you are gone. It seems like you are just away on a well deserved vacation. We know you fought a good fight, you have finished your course and heaven knows you kept the faith, but God just saw fit for you to stop running this race. We are going to miss you, more than we can say, but if it is God's will, we will see you on the other shore.

*Love Forever,
Sisters & Brothers*
